Nailstone Village Garage Sale

Saturday 25th June 9am to 2pm

Get ready with your unwanted items! If you would like to have a stall at the sale you should sign up in advance so your location can be advertised on the village map. We are also hoping that there will be an opportunity to put some stalls in the Community Garden, to provide a more central and easily accessed location for those living on the outskirts of the village. We will confirm this in the next newsletter and will talk to you individually about where you want to be, when you sign up. If you just have one or a couple of items to sell then they can be put on the Community Group table for sale but the Group will take 10% of the sale price and any items not sold will be returned to their owners.

A donation of £5 per table, for community group funds, is appreciated, and will be collected on the day. Money raised will go towards providing events in the village and to the Senior Citizens Christmas lunch.

Anyone wishing to participate can contact:

Community Recovery Workers - Public Health

**My name is Suzanne and I am the Community Recovery
Worker for Hinckley & Bosworth rural communities**

In response to the Covid-19 Pandemic, Leicestershire County Council have produced an Outbreak Response Plan. Within this, the Community Recovery Team hold a key role in supporting communities and individuals to build resilience to the effects of the pandemic.

I would like to briefly explain about my role. I am a helping hand in the community to help both people and groups, that have been affected by Covid-19 in various ways.

Supporting individuals and groups who are struggling with isolation, loneliness, lack of confidence, fear of going out, health and wellbeing. We provide advice and guidance to help communities to stay safe happy and well.

This is what I can do:

- Spending time to recognise individuals goals and aspirations to enable them to live their best lives.
- Working alongside people and families to be resilient and maintain their independence.
- Working alongside organisations and services to create opportunities for local people.
- Helping existing community groups to flourish and support the creation of new possibilities.
- Identifying local amenities to enhance community connection.
- Support will be person centred and tailor made to meet the needs of the individual/community.
- Providing up to date Covid-19 messages through our volunteers.
- All communication and interaction will be kept in strict confidence.
- We do have a duty to raise any safety situations or concerns.

Nailstone Parish Council

At the April Meeting, the council invited JBM Solar back to discuss community benefits (a goodwill contribution voluntarily donated by the developer) in respect of the Stoneshollow site. The council put forward the suggested ideas from parishioners where funding could be used. Robin will take these ideas and suggestions back to the directors of JBM and in conjunction with the parish council will draw up a legally binding agreement to ensure that if the planning permission is granted, the parish will receive the community funding .

The Council held its Annual meeting and elected its officers for the 2022-2023 civic year.

Cllr Tony Harrison was elected as Chair and Cllr Lee Harris was elected as Vice Chair. The financial year ended on 31st March 2022. The accounts are complete and off to audit. A summary will be included on the next newsletter.
