Dear Nailstone Resident,

Nailstone Parish Council would like to invite you to share your views on the potential investment of the Community Benefit Funding, currently totalling £180,000, received due to the Solar development. We may explore match funding to increase the potential amount available. We have identified some initial viable ideas and listed them below, however, we are open to additional suggestions. We welcome you to share your support of any of the suggestions or to provide others.

Please either fill out this form and submit it to 46 Main Street or email clerk@naistoneparishcouncil.co.uk. The deadline for submissions is the 18th of May 2025.

Following this, the Parish Council will review the suggestions, consider any new viable ideas and report back via further consultation.

Details of initial suggestions:

Community Space within the All Saints Church

To consult with the Parochial Church Council about the viability of developing some aspects of the church space for a joint community venture.

Community Hall within the village area

A common place for the residents of Nailstone to use for community events and private hire.

Improvement of the green space in the Oval

To explore the possibility of landscaping the Oval green as a public open space for community events.

Allotments

To explore the provision of allotments for use by the parishioners.

Green open space for sports activities

To explore the provision of a green open space for various sports activities suitable for all ages.

Mini Bus

Provision of a mini bus to parishioners to provide access to vital amenities.
