

Nailstone Parish Council

CONSULTATION Stoneshollow Solar Farm

Stoneshollow Solar Farm (Application 21/01395) Church Farm, Washpit Lane, Barlestone).

The Parish Council, as consultees, will need to submit comments to Hinckley and Bosworth Borough Planning department objecting or supporting the application by 31st March 2022. **It is important that you also lodge your own response to the HBBC planning website**

<https://www.hinckley-bosworth.gov.uk/comment>

You may have seen support and objections voiced on social media. We highly recommend that you review the Stoneshollow website, (stoneshollowsolar.consultationonline.co.uk) and leaflets distributed to form your own opinion as to whether you support this development in it's current format.

There have also been comments around funding for the village if the plans go ahead. Please note that objecting to the application does not mean that the village cannot apply for community funding should the application be approved. We would be interested to have feedback on how you think any funding should be used.

Any questions about this planning application please direct to Robin Johnson info@stoneshollowsolar.farm, If you have any problems submitting comments or general questions, please contact our clerk (Clerk@nailstoneparishcouncil.org.uk). There will also be the opportunity to ask questions at the meeting. As we have limited time, please provide details of questions in advance to our clerk.

All responses are confidential

RESPONSE

Tick where appropriate

We wish the parish council to support the application

We wish the parish council to object to the application in its current format.

Any other comments you wish us to consider

Where do you feel any community funding should be used?
