HS2 Phase 2B Design refinement

Consultation Recycling and Household Waste Sites – Future Service Offer

Leicestershire Youth Justice Plan 2019 – 2020

County Council Planning Obligations Policy

### **Safer Communities Strategy Board 14.04.19**

I was re-appointed Chair of this Board.

The first substantive item was Performance update for Quarter 4 (Jan – Mar 19)

We received an oral update from the Chief Executive of the office of the Police & Crime Commissioner

There was a presentation on 'Aggravated Burglaries', as distinct from 'Violent Burglaries'. The former involves gangs of armed men breaking into premises, whereas the latter involves no prior carrying of weapons but finding such implements from within the premises. Of particular concern was the use of police impersonation for one burglary by 6 burglars in Burbage. This follows other reports of single men impersonating police officers and trying to gain access to properties usually owned by elderly residents who may well live on their own. One of these cases occurred in Orton, in the Parish of Twycross. Advice is, ask to see their identity

but under no circumstances let them into the property until you have confirmed their credentials by telephoning the Police.

The Prevent Hate agenda was discussed at length.

Anti-social behaviour also featured, and there was a presentation on the issue of child sexual exploitation.

We were then updated on the changes to the Probation service.

(Further details of both these meetings can be found on the County Council website)

### **Local Divisional Issues:**

I attended Parish Council meetings for Stoke Golding and Witherley.

Individual constituent Casework in Parishes currently stands at 2 in Stoke Golding, Nailstone, Twycross and Shackerstone, and 1 each in Sheepy and Sutton Cheney.

HS2 has proposed new changes to infrastructure to the route that could impact on Orton on the Hill residents, in that a proposed maintenance facility will be built between Austrey and the A42.

### **Personal:**

Please note that I already have 34 meetings in the calendar for July. These figures do not include attending parish council meetings, preparation for meetings, meeting individual constituents or replying to the daily average 50 e-mails I'm currently receiving. In short I may not be able to attend your Parish Council this month.

Please note that in addition to 0116-305-6369, my home telephone number is 01827-881087, and my mobile is 07721-426638.

**Please use my county hall e-mail address, [ivan.ould@leics.gov.uk](mailto:ivan.ould@leics.gov.uk) for e-mail correspondence.**
