

# Nailstone Parish Council

Dear Nailstone Resident

The Nailstone Parish Council want to understand what you, the residents of Nailstone, would like for the future development of this village. The Council cannot promise that they can deliver all that you want, but in order to formulate future plans they need to know your current views on a variety of areas.

Part of your council tax is spent by the Parish Council, so we want to ensure that any planned spend meets with the actual needs of the community.

## THIS IS YOUR CHANCE TO HAVE A SAY!

This survey is anonymous, so please say what you really feel, and not what you think we want to hear.

To cater for different age groups, the response section allows for under 18 and over 18 participation. (Multiple responses from a single household are encouraged: Please advise if you require further copies of the questionnaire)

There is a section at the end which enables you to add comment for anything that we have missed within the questions. You can also use this space to add contact details if you wish to discuss further with any of the Parish Councilors (Details at the end of this questionnaire).

Best Regards

Nailstone Parish Council

## Nailstone Village – Neighbourhood Development Plan

A Neighbourhood Development Plan (NDP) takes advantage of recent planning system reform to give local people new rights. A neighborhood plan reflecting the wishes of our community can carry a lot of weight, and the granting or refusal of planning permission by the Council is likely to take any such plan into consideration. Also, with our own plan, we may be entitled to greater compensation from developers to spend on our own community projects.

The benefits of such a plan are significant, but before drafting such a document, the Parish Council will need your views and support. This is a laborious and complicated task, which will incur some costs, but these can be minimized with your full support and knowledgeable contributions.

<b>Q21</b>	<b>Do you feel that a Neighborhood Plan should be invested in for Nailstone?</b>	<b>Under 18</b>	Yes	No
		<b>Over 18</b>	Yes	No
<b>Comment:</b>				

<b>Q22</b>	<b>Would you be willing to support the generation of a Neighborhood Plan? Please state how you feel you could support in the comments.</b>	<b>Under 18</b>	Yes	No
		<b>Over 18</b>	Yes	No
<b>Comment:</b>				

<b>Q23</b>	<b>If we go ahead with the generation of a NDP, a further detailed survey will be carried out – would you be happy to support facilitation?</b>	<b>Under 18</b>	Yes	No
		<b>Over 18</b>	Yes	No
