If urgent and there is no response, please try another contact from the list. Otherwise leave a message and your contact details for someone to call you back.

For anything non urgent you can also email nailstone.supp@gmail.com where emails will be checked daily.

Parishioners have recently started a Neighbourhood Alliance WhatsApp group that we will be using to stay in touch with each other. If you would like to be added to this group, please email wendyj1@icloud.com with your number.

NB. Please do not give cash, debit card or personal details to anyone you don't know. Unfortunately, there are people taking advantage of the situation and targeting people in person and over the phone and email. Please be vigilant and stay safe.
